

Sinner's cry [no capo/(Capo 2)] *by Dale Huntington*

FINAL -2/5/13

Oh, Oh, Oh, Oh, Oh, Oh, Oh, Oh

(Chords: **D, F#m, G2**)
(Capo 2: **C, Em, F**)

Sing to the Lord, all you saints,
Bring all your burdens to him,
Come, sing exposed, without shame.
Sing of His Pardon, day after day

Pre-chorus1:

Bm7 (Am7)

A (G)

Restoring the broken, You've conquered our sin

Bm7 (Am7)

Asus-A(Gsus-G)

Took us from death, now we gladly die again

***Chorus:**

Great is the Savior of men,

In darkness His light pierces the bleak night

His Grace and His mercy are new,

With every sunrise, forgives with the sinner's cries. (Oh's)

Verse 2:

Come lay our sins at his feet, Yahweh is quick to forgive,

Removes the disgrace from these souls,

Takes decaying bones, makes them alive and whole.

Pre-chorus2:

From rancid to reborn He covers our sins.

Excluded and blackballed you welcome us in.

Chorus, Oh's, Chorus, Bridge, Chorus, Oh's

Bridge:

The word of our Lord will endure,

Rejoice in the Spirit who's constantly near us.

Cheer for the Father of all,

forgives our transgressions and runs out to meet us.
